Minister's Address

(Date)

Dear (Minister's name)

The members of the P&C Association at (School name) believe that the safety of our children is of paramount importance. It should be mandatory for school buses (including buses for excursions) which travel on roads with speed limits of 80kmph or more to have seat belts. We therefore write to request that a step is immediately enforced to have all buses in fleets in the (your area) area with the capacity to have seat belts fitted.

Furthermore we request that all new buses added to fleets be fitted with seat belts.

We urge that the State government immediately advises bus fleets in the (your area) area to make use of the \$40 million Australian Government fund to facilitate the conversion current bus seats to seats with belts.

Yours sincerely,
