P&C Federation 2020 Elections Update

The current P&C Federation 2020 Election of Councillors and Delegates will not be taking place as scheduled.

The NSW Electoral Commission informed P&C Federation and the Minister that they are unable to conduct the upcoming election due to the impact of COVID-19 on their staff and resources. As a consequence, there is no current mechanism which would enable P&C Federation to conduct an election at the present time.

We have established communication with the Minister for Education and Early Childhood Learning's office and have commenced discussions.

We thank you for your patience and understanding at this time and will inform you as soon as we have determined a way forward.

If you have any questions regarding the elections update, send an email to mail@pandc.org.au with the subject 'Elections' in your email.
