Has your P&C planned anything???

Don't miss the opportunity to celebrate and showcase all the great work your P&C has achieved for your school and students. Invite the whole school community to join in the event, promote your P&C and use this opportunity to increase parent engagement.

P&C Federation would also like to hear how your P&C celebrated the day, so send us a short article and a photo or two so we can include this in our next journal. Send your article to journal@pandc.org.au.

What is a raffle?

A raffle is a lottery where the total value of prizes does not exceed \$30,000.

Prizes are determined by a draw of tickets or marbles from a barrel or other receptacle, or by an electronic device (often called a random number generator).
