Please keep an eye out for a forum in your electorate. Forum details in your electorate will be emailed (so please make sure your P&C contact and email details are current with P&C Federation). Details for upcoming forums will also be advertised via [P&C Federation website](http://www.pandc.org.au) on the calendar and on our Facebook page.

## ANZAC Day Remembrance Service

The Teachers' Sub-branch RSL in conjunction with NSW Department of Education honours the memory of teaching and non-teaching staff who have served in the armed forces. It is an opportunity to lay a wreath and view the memorials which honour and perpetuate the memory of departmental officers who gave their lives.

# Are you considering running a Raffle or an event where alcohol maybe served or sold?

## What is a raffle?

A raffle is a lottery where the total value of prizes does not exceed \$30,000.

Prizes are determined by a draw of tickets or marbles from a barrel or other receptacle, or by an electronic device (often called a random number generator).

Consider checking the Fact Sheet on [Raffles](#) on the new [Liquor & Gaming NSW website](#)

## Alcohol and P&C Association events

The service of alcohol at P&C Association events is restricted by a number of factors.

**Functions held on the school site – permission from principal** if an event is being held on the school premises permission must be sought from the Principal, as the site manager, for the sale or service of alcohol at the school site. There are guidelines set out in the Department of Education and Communities Drugs in school policy which can be found on the DEC website under policies.

**Legislative requirements for the service or sale of alcohol at events** for events at which alcohol is being sold or served there is a legal requirement for a Liquor Licence to be held. The Office of Liquor, Gaming and Racing allows for a Limited Licence for single functions to be applied for, this is required whether **selling or serving** alcohol at events. An application for a Limited Licence is made under the Liquor Act 2007. Significant fines apply to bodies selling or serving alcohol without an approved Licence. Please check the fact sheet on [Applying for a Liquor Licence](#) on the [Liquor & Gaming NSW website](#)
