The program is a meaningful way to celebrate the valuable contribution of the many volunteers who make a difference in your organisation and the community.

Organisations such as yours may have many people worthy of recognition under the following award categories:

- people with over 25 years of volunteering experience
- people with a lifetime of volunteering experience – over 40 years
- significant volunteering at any age
- newly retired people who have commenced or continued volunteering.

Your volunteers would join the 12,500 people already recognised across NSW under this program, which is now in its third year.

Nominating is easy using the [online form](#). If you have multiple volunteers you wish to nominate or if you have any other inquiries, please contact Gail Knox via gail.knox@facs.nsw.gov.au or on 8753 8543.
