### Member Guidance for P&C Associations!

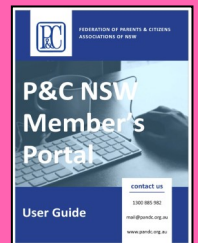

P&C Federation is excited to launch its new tools and resources for P&C Associations across NSW.

We have worked hard to create extensive guides for Employment, Canteen Management and Financial Management & Control. P&C members also now have access to the new **Member's Portal**, where you can upload audits, update your details and have access to other useful resources. Visit <https://membersportal.pandc.org.au>. Please contact our office if you need help with accessing the Member's Portal.

These new resources and the Member's Portal are only accessible to P&C Associations who have current membership with the P&C Federation.
