Is your P&C a Creative Kids provider?

NSW P&Cs may be eligible to become registered providers of the Creative Kids program.

The NSW Government's Creative Kids program enables parents, guardians and carers to claim a \$100 voucher per year to put towards the cost of creative and cultural activities with registered providers. Extra-curricular and co-curricular creative activities run by NSW P&Cs may be eligible.

If you are a NSW P&C already registered as a Creative Kids provider, remember that new vouchers will be available on 1 January 2020, so make sure you remind families to claim 2019 vouchers before 31 December 2019.
