

# P&C FEDERATION

2022 ADVERTISING PACK

## About us

The Federation of Parents and Citizens Associations of NSW (P&C Federation) was established in 1922 and is the peak body representing all State Government school Parents and Citizens (P&C) Associations in NSW.

P&C Associations are not-for-profit organisations with a diverse membership and the power to control their own budgets, influence fundraising activities within their school community, and purchase equipment and resources to improve learning environments and support teaching practices.

P&C Federation provides information, support, and services to more than 1,700 P&C Associations and their school community members.

The P&C Federation Journal, **Parent & Citizen**, is a key channel of communication with P&C Associations and school communities throughout NSW.

## Advertising in the Parent & Citizen Journal

Advertising space is available in the **Parent & Citizen** Journal.

Advertising should be aimed at P&C Association members in their dual role as custodians of children's education and as decision-makers in allocating substantial funds for the purchase of goods and services.

## Our Journal

The **Parent & Citizen** Journal is printed quarterly with an average print run of 3,600. Copies are distributed directly to member P&C Associations in public schools in New South Wales and circulated to parents, teachers, librarians and school administrators, as well as the Minister for Education, Parliamentarians, Department of Education officers, universities and other interested members of the community.

Digital copies of the **Parent & Citizen** Journal are also freely available on P&C Federation's website (<https://www.pandc.org.au/journals/>) for at least 12 months from the date of publication with a registered audience of over 6000 recipients electronically subscribed.

P&C Federation's website ([www.pandc.org.au](http://www.pandc.org.au)) is accessible to global users and has information and online resources that make the site a point of service for more than 1,700 P&C Associations and their wider school communities.
